**Late Shri Ganeshi Lal Ji Agrawal
1910-1977**

प्रवर्तनीया सद्विद्या भूवि यत्सुकृतं महत्

“True knowledge should be promoted all over the world as it is the most noble and pious work.”

The inspiration, the value, the belief, the standard and the vision enshrined in the above quotation come from the noted philanthropist and social worker,

Late Shri Ganeshi Lal Ji Agrawal.

The spark he ignited has slowly but surely transformed into an illuminating star guiding those who aspire to seek excellence in learning and education.

About Us

In the year 1998, the first step was taken by Shri Narayan Das Agrawal to fulfil his father's dream by establishing the GLA Institute of Technology and Management. It went on to take the shape of GLA Group of Institutions and finally became GLA University in the year 2010 through the U.P. State Legislative Act of 2009 (UP Act 21 of 2010). The University is recognized by UGC under section 2(f). GLA University is also a member of the Association of Indian Universities(AIU) and Educational Member of IACBE (International Assembly of Collegiate Business Education).

Home to over 10500+ students, the University provides education at Diploma, Undergraduate, Postgraduate and Doctoral levels in various disciplines of Engineering, Management, Commerce, Diploma, Legal Studies, Biotechnology, Pharmacy, Agriculture, Sciences & English, and Education.

More than 550 well-qualified and experienced faculty members and 700 dedicated staff members work full-time for students' professional and all-around development. With a 30000+ strong alumni network all over the world, GLA University enjoys a special integration with the corporate world, which helps to develop industry-ready curriculum & pedagogy and the placement of the students.

From the desk of **The Chancellor**

Over the past two decades, GLA University has acquired a reputation of imparting quality education at GLA; we strive to offer all our students an all-round professional development backed by a strong network of placement partner companies and plenty of opportunities to follow extra-curricular interests.

Our interactive and engaging teaching pedagogy supports our pursuit of the holistic development of our students. Convention and modernity come together at GLA to offer the best to our students. We welcome you to explore our world-class infrastructure and amenities. With a thriving learning atmosphere filled with camaraderie at GLA, we aspire to provide students with a true Ivy League University experience.

Prof. Phalguni Gupta
Vice-Chancellor

Message from **The Vice-Chancellor**

It is a matter of immense pleasure for me to be a part of the GLA University, Mathura family as its Vice-Chancellor. I take this opportunity to welcome students from all parts of the world to join our academic programmes. Most of such students have come from the folds of their family to another in their quest for knowledge. Henceforth, one needs to feel that their teachers, seniors and peers form an extended family from whom they get complete guidance, support and help to move ahead in life as professionals in the programmes they have opted for.

The university has young faculty members who are highly qualified in their fields of expertise. Our faculty members publish their research outcome in high impact factor journals of repute on a regular basis. There is an active interaction between faculty and students on the campus. The learning experiences on the campus pave a strong path for the enhancement of the overall development of the learners.

The university organises a large number of national and international conferences, seminars and workshops every year. Organising such type of events helps to provide a variety of experiences to the students and gets an opportunity to inculcate skills such as leadership and team spirit, which are helpful in their career. This beautiful campus of the university is fully ICT enabled and provides an excellent e-learning platform. Its curriculum, along with co-curricular and extra-curricular activities give a true opportunity to shape physical, mental and intellectual growth of students.

On behalf of the University family, I assure you that the university will help you pursue your objectives of life under the varied social, cultural and economic environment and make the University family proud of your attainments.

GLA University believes in Innovation and Invention. Various GLAians designed their own prototype with the guidance of faculty members. We appreciate their efforts. As a result, we got their patents granted.

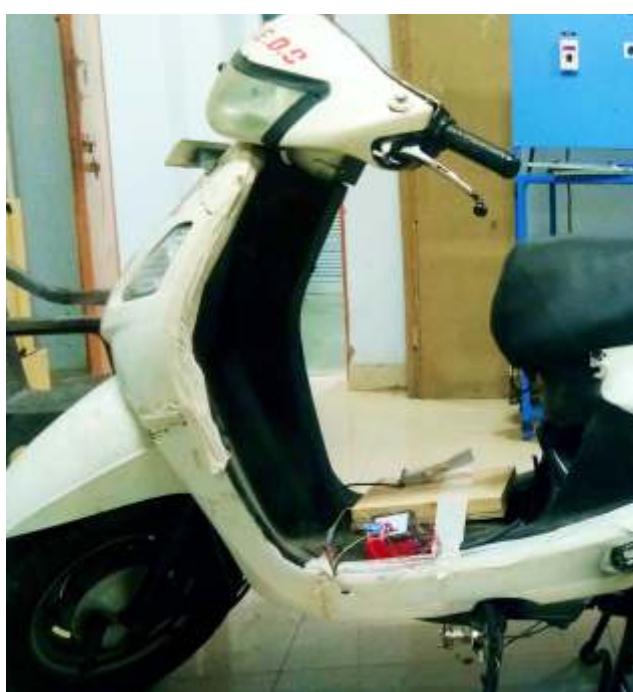

Few of the granted patents are highlighted

I-COS (IGNITION CUT OFF SYSTEM)

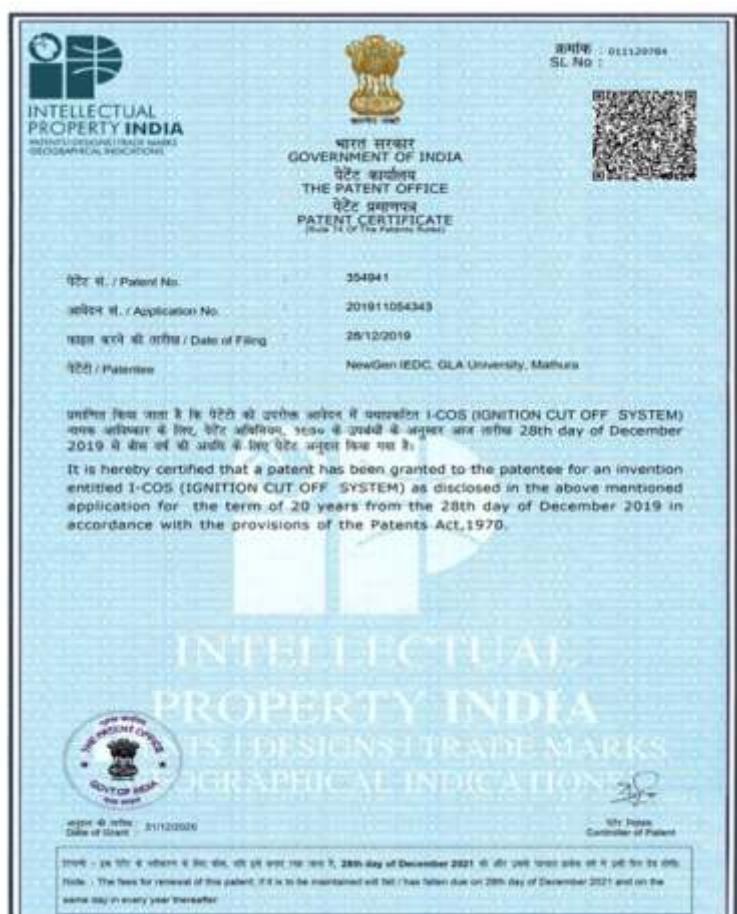

Automobiles are essential in this modern developing world. Two-wheelers being one of them. The main reason for accidents in two-wheelers is due to the side stand not being pulled off and minor driving.

GLAians, with the help of NewGen IEDC have developed I-Cos (IGNITION CUT OFF SYSTEM) that will prevent minor driving incidents and prevent the two-wheelers from starting before all the stands have been retrieved.

The patent has also been granted for the same.

The University premises are comparable to some of the best institutions across the nation, thus, adding much credence to its overall rating among the stakeholders. State-of-the-art buildings, world-class Laboratories, commendable on campus facilities, well-maintained infrastructure deserve a special mention in the overall scheme of things.

CENTRAL LIBRARY

The central library has more than 1,50,000 books, journals, magazines, newspapers, encyclopedias and thousand of CDs focusing on the multidimensional knowledge. Apart from central library, each department has its own library equipped with informational books & journals. Being a member of DELNET, the university has access to more than 2 crore bibliographic records, 36,000+ periodicals, CDs and e-books. Students can enjoy reading in the air-conditioned central library till midnight. The central library is fully automated using KOHA-Integrated Library Management System and linked with the libraries of many reputed institutes and universities. This facility enables the users to the collections of different libraries.

COMPUTING FACILITIES

Every department has 'Classle Classes' to help the students learn anytime & anywhere around the campus through online lectures.

INTERNET FACILITY

Students at GLA can avail internet facility on all the computers in the laboratories as well as in their hostels through 2GBPS bandwidth.

NETWORKING & AUTOMATION

All the computers in the University are connected through a campus-wide LAN. There is a wide variety of dedicated servers installed to manage the various functions of the University like Mail Server, MIS & Students Records Maintenance, Office Automation, File Server etc. A strong firewall has also been placed to secure the network from third-party.

RESIDENTIAL FACILITIES

(HOSTELS)

The separate hostel wings for boys and girls are akin to 'home away from home' for the students. Full-time resident doctors, along with part-time specialists, keep a vigil on the health and related aspects of the students. Counselors take care of the psychological needs. Two departmental stores take care of the daily needs of the students. Round-the-clock uninterrupted electricity and water supply (along with RO water for drinking purpose) are provided. CCTV cameras and security guards keep a close watch and monitor the activities in the campus 24*7.

LECTURE ROOMS

All the class rooms at GLA University are equipped with latest audio-visual teaching aids, viz, LCD Projectors, PA Systems etc. Each class room is connected with both intranet as well as internet facilities. Every lecture hall and conference hall in the University is air-conditioned.

Welcome to the world class infrastructure & amenities

DEPARTMENTAL STORES

The University has two departmental stores within its premises that stock daily need products and stationery items for the students. The hostellers at GLA get everything from stationery to toiletries under one roof.

CAFETERIA & CANTEEN

The University has two cafeterias. Each remains open almost 16 hours a day serving students with nutritious and delicious food & beverages. Apart from the cafeterias, there are a few canteens which run within the precincts of various institutes / departments and provide students with basic refreshment options during the working hours of the University.

TRANSPORTATION FACILITY

The University offers a strong fleet of 40+ buses which provide to and fro conveyance service to students residing in and around Mathura, Vrindavan and Kosi.

BANKING & ATM

To serve the banking needs of the students, Indian Overseas Bank operates as a full-fledged bank branch along with ATM facility within the University campus.

SAFETY & SECURITY

To ensure proper safety & security on the campus, a team of well-trained guards and supervisors remain available round-the-clock around the premises. The University is under 24x7 surveillance with the help of hi-tech CCTV cameras. The University observes fire prevention norms with modern fire fighting equipments and vehicles.

MEDICAL FACILITY

A team of well-qualified doctors and paramedical staff is available at the campus dispensary. Emergency services like ambulance, bed equipped clinic etc. are available at all times. Apart from it, various specialists visit the campus frequently. Various apparatuses are also available in the University dispensary to take care of medical emergencies.

BASIC AMENITIES

For providing safe drinking water, RO Systems, connected with water coolers, have been installed in every building of the campus. In order to provide round-the-clock electricity, three generator-sets of 500 KVA each, remain operational on the campus. Cleanliness is given utmost importance and maintenance activities are continuously monitored by the House Keeping department.
